The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Low and No Emission Buses Replacement and Support Infrastructure in fiscal year 2024. The entity to receive funding for this project is the Kansas City Area Transportation Authority, located at 1200 E. 18<sup>th</sup> Street, Kansas City, MO 64108.

The funding would be used for KCATA and transit partners to continue to integrate electric buses into the bus network of RideKC. The project is an appropriate use of taxpayer funds because this will simultaneously support the transformation/infrastructure needs of my constituents while also helping us meet needed emissions standards.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Emanuel Cleaver, II".
